Notification regarding e-SLM and Examinations for NSE-EG-02 (English at the Workplace)

It has come to notice that a large number of FYUG learners enrolled in the 2025-26 academic session who have opted for NSE-EG-02 (English at the Workplace) have not been able to register on the SWAYAM platform for the MOOC.

For the benefit of all such learners, the relevant Self Learning Materials have been uploaded on the LMS, and concerned learners can access the SLM accordingly. Be it noted that the option of hard copy SLM does not apply for a course assigned to SWAYAM MOOC.

Examination related notification for learners who have opted for NSE-EG-02 but have not been able to enrol on SWAYAM will be subsequently published by the Examination Department on the university website.

For learners who have already completed the course (English at the Workplace) from SWAYAM, the Examination Department will subsequently issue relevant notifications regarding the transfer of Credit from SWAYAM.

This notification is issued with the concurrence of the competent authority.
